

Methodist Central Hall: The Visitor Centre

Client: The Managing Trustees and Central Hall Westminster Limited

Central Hall welcomes visitors from across the world to visit this iconic 1912 Edwardian building which has housed events as diverse as the inaugural meeting of the United Nations, featuring in the film *Calendar Girls*, and hosting speeches by Winston Churchill, Gandhi and the Dalai Lama. The refurbished visitor centre relocated the Historic Roll to be the main focus, the Roll records the names of all those who gave money to the twentieth century fund, part of which was used to construct the building. A new shop area, plus interactive screens, will follow.
