

## **St John the Evangelist, Notting Hill: The West End project**

**Client:** The PCC of St John's Notting Hill, London

The first and second phase of the masterplan realised new exterior doors and porch gates and the creation of multi-use rooms for church and community use to the west end with toilets and a kitchen.

**Publications:** The Victorian 'Church reordering, In search of good practice' July 2016; Church Building and Heritage Review January/February 2016.
